

 Middle East Port Advisory Date / Time: 03/03/2026 - 16:30 UAE LT						
Regional Overview	As of 3 March 2026, there has been no internationally recognised legal closure of the Strait of Hormuz, but Iranian radio warnings, heightened military risk, and company level directives have led to a sharp reduction in commercial traffic, with most vessels temporarily avoiding transit despite a small number continuing to pass through. Airspace is closed in most Gulf countries.
